Once I was done, I knew, because I never gave it a product key, that I would be limited on my features in things, like getting rid of a watermark or customizing my view. Boot Camp 5.1 includes several Mac drivers so that Windows will recognize your trackpad, Thunderbolt, USB 3.0, the iSight (or FaceTime) camera, the Eject key on the Mac keyboard, networking, audio, graphics, and so on. Jan 20, 2020 'Free' Product Key on Mac Boot Camp I have been using my MacBook for a while and I decided to install Windows 10, via Bootcamp, just to see what it was like. A Boot Camp Control Panel for Windows and an Apple Boot Camp system-tray item will be added.
